**Jaspan Schlesinger LLP Skillfully Guiding Clients for Over 75 Years**

**LI law firm marks major milestone by honoring 75 nonprofits**

For 75 years, Jaspan Schlesinger LLP has been providing exceptional legal services in commercial litigation, banking and financial services, education law, municipal law, real estate, land use and zoning, tax certiorari and condemnation and estates and trusts.

With more than 50 attorneys and offices in Garden City and Westchester County, Jaspan Schlesinger is one of the region's leading full-service law firms. Innovative yet practical and responsive, Jaspan Schlesinger is the trusted partner clients count on to help solve real-world problems—locally, nationally and globally—and, more importantly, to give proactive counsel to avoid problems.

To celebrate the firm's 75th anniversary, Jaspan Schlesinger designed a program to donate to 75 local not-for-profit organizations. The Jaspan Schlesinger Heart of Community awards were given to organizations with a proven commitment to improving New York. That commitment has been intrinsic to the spirit of the firm's mission and values since its founding in 1946.

"Giving back, whether through volunteerism or philanthropy, has always been a cornerstone of Jaspan Schlesinger's firm culture," stated Steve Schlesinger, co-managing partner.

Through the Heart of Community awards, the firm has been able to recognize the region's non-for-profit leaders

and highlight local organizations.

"Our partners, associates and staff frequently volunteer their time to serve on the boards of not-for-profit organizations and religious corporations and actively participate in and sponsor events," said Jothy Narendran, co-managing partner.

The Heart of Community program

concluded with the 75th award to the Tunnel to Towers Foundation. The Foundation honors the sacrifice of firefighter Stephen Siller who laid down his life to save others on September 11, 2001. The Foundation also honors our military and first responders who continue to make the supreme sacrifice for our country.

As part of the firm's support of the Tunnel to Towers Foundation, firm staff raised additional funds and participated in its annual Tunnel to Towers Tower Climb. Each year since 2015, 1,000 participants climb 104 stories at the Tower Climb New York City event, symbolizing strength, hope and the resiliency of the American spirit.

As Jaspan Schlesinger looks forward, the firm recently expanded its banking and finance group, led by Jothy Narendran. "Our banking and financial services attorneys have the in-depth experience and commitment to client service people seek to simplify even the most complex credit and banking transactions, and to adeptly handle all aspects of banking litigation," Narendran said.

This spring the firm welcomed Bryan McCrossen to its real estate practice group. A seasoned real estate attorney, McCrossen has an impressive reputation and is well known in the real estate industry.

The matrimonial and family law and commercial litigation groups also welcomed many new additions this year. With problem-solving partners and associates, Jaspan Schlesinger is well equipped to handle complex matters while delivering common-sense advice and counsel to clients.

"Now we look forward to the next 75!" concluded Schlesinger.
