Long Island Alumnae Chapter of Tri-Delta

The Long Island Alumnae Chapter of Tri-Delta has been a partner with St. Jude Children's Research Hospital since 1999. The mission of St. Jude Children's Research Hospital is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. Consistent with the vision of founder Danny Thomas, no child is denied treatment based on race, religion, or a family's ability to pay. The Long Island Alumnae Chapter of Tri-Delta has hosted many events over the years to raise funds for such a worthy cause. Over the past ten years, the organization has raised \$86,454.

Leslie Feifer was initiated into Tri-Delta at Cornell University in 1987. She joined the Long Island Alumnae Chapter in 2006 and has been involved with the chapter in varying capacities. Currently, she is Chapter Secretary and Alumni Advisor to the Tri-Delta Chapter at Adelphi University. Leslie's favorite part of being involved with the chapter is the yearly auction to raise funds for St. Jude's.
