

## Heart of the Community Award

is presented to

# McAngels

McAngels is an auxiliary group formed approximately 16 years ago by a few women from Carle Place, NY to give back to those less fortunate around the holidays who are struggling to keep afloat while taking care of a child with cancer. In addition to the adopt a family around the holidays charitable fundraising, the group began coordinating with the Ronald McDonald House (RMH) of Nassau County on additional families to help. McAngels participates in bake sales, garage sales, guest bartending events, among other community projects to help raise money. McAngels also started an annual gala with silent auction items to fundraise for the Ronald McDonald House. This group started in the spirit of giving around the holidays and since its inception raised over \$1 million dollars for RMH. McAngels' is fortunate to be called one of the RMH's largest contributing auxiliary group.

Christine Imrie of Jaspán Schlesinger LLP has been active with McAngels for over 10 years.
