## Moxxie Mentoring Foundation

**Mission:** To support and foster the career advancement and leadership development of young women through generational mentoring.

**Vision:** An America with no unfair judgment or barriers to entry in which women have attained equal pay and equal opportunities in top leadership positions both in the corporate realm and in government.

Since 2010, the Moxxie Mentoring Foundation has mentored nearly 500 women. The Foundation's activities include: Program Development & Execution, Mentor & Mentee Recruitment, Mentor Training and Mentee Orientation.

Partner Gayle Gerson is a long-time Moxxie Network Member. Ms. Gerson shares the organization's commitment to career advancement and leadership development of young women.
