is presented to

The Viscardi Center

The Viscardi Center, a network of non-profit organizations, provides a lifespan of services that educate, employ, and empower people with disabilities. Its programs and services include Pre-K through High School education, school-to-work transition services, vocational training, career counseling and placement, and workforce diversification assistance to children, adolescents, and adults with disabilities and businesses.

It was founded in 1952 by Dr. Henry Viscardi, Jr. who himself wore prosthetic legs, served as disability advisor to eight U.S. Presidents, from Franklin D. Roosevelt to Jimmy Carter, and became one of the world's leading advocates for people with disabilities.

Jaspan Schlesinger LLP is proud to be a long-time supporter of The Viscardi Center.
