Alzheimer's Association, Long Island Chapter

The Alzheimer's Association was founded in 1980 by a group of family caregivers and individuals who recognized the need for an organization that would unite caregivers, provide support to those facing Alzheimer's and advance research into the disease. The Long Island Chapter provides care and support services and ways to get involved to those impacted by Alzheimer's or other form of dementia in Nassau and Suffolk Counties.

Jaspan Schlesinger LLP is proud to support the Alzheimer's Association, Long Island Chapter community.
