ABOUT FAIR MEDIA COUNCIL

Mission: To educate people in the region about media, how it works, the role it plays in society as well as enabling them to become critical of the news they consume. Advocating for quality news is a cornerstone of the Fair Media Council.

Fair Media Council's Annual Folio Awards is the largest media event on Long Island and celebrates the best in news and social media coverage. Fast Chat is a 30-minute award-winning podcast that features notables in news, media and business for conversations that are real, powerful and relevant.
